PACKER P.R.I.D.E. MATRIX EXPECTATIONS

At Fremont Middle School we strive for a positive school climate for all. As part of this effort, students are challenged to exhibit Personal Responsibility, Respect, Integrity, Determination, and Excellence at all times according to the matrix expectations.

ATTENDANCE POLICY

One of the greatest determinants of student academic success is regular and punctual school attendance. To help ensure that success, the following policy governs FMS attendance:

Excused Absence:

1. Absence due to illness or emergency as determined by the Principal's office.

All absences must be reported to the school by phone on the day of the absence. The phone number is 924-0230. **Reporting of a student absence must be done by a parent or a guardian** and should be reported between 7:00 - 8:30 a.m. **Absences must be reported to the office even if contact has been made with the classroom teacher.** An excused absence will allow the student to make up all work missed and receive credit for the work.

Pre-Excused Absence:

1. Present a written request to the office at least two (2) days in advance of the absence.
2. A form will be given to the student to have completed and returned to the office on the day it is issued.

Unexcused Absence:

1. An automated call will be made to parents to make them aware of a student's absence from school.
2. If the office is not contacted after that, the absence will be treated as an unexcused absence.

Doctor Appointments:

Students with medical or dental appointments during the school day must present such notification to the school office prior to the appointment. Students must sign out in the office before leaving for the appointment and sign in when returning.

Making Up Work:

All class work missed during an absence must be made up. If the absence is unexcused, a student has the right to make up work, but credit will be issued at teacher discretion; if excused, full credit will be allowed. A student will be allowed one (1) school day per day(s) missed to make up work. This does not apply, however, when a student has a pre-excused absence due to vacation.

Athletics and Absences:

Students must be in attendance at least ½ day (minimum of 3 hours, not including lunch and rec.) on the day of a scheduled school event to be eligible for **participation in athletics or attendance at any FPS event**. If a student misses class in the morning, for example, he/she must report to school by **11:00 a.m.** The absence must be excused by the building administrator. Participation will be at the discretion of the administrator. **If a student is absent a full day, attendance or participation at school sponsored events is not permitted unless permission has been previously granted by an administrator.**

TARDINESS

A student arriving late to school should report immediately to the office for a tardy slip. Only an emergency is an acceptable excuse for being late to school. The tardy policy is based on each nine-week marking period. Tardies, which are not excused, result in the student making up time in accordance with the following policy:

1. Up to two tardies in the same class – Student will receive verbal warning from teacher.
2. A third tardy will result in a Rec detention assigned by the teacher.
3. Additional tardies up to five in the same class will result in After School Detentions assigned by the teacher. Parent contact will be made by the teacher.
4. Six or more tardies in the same class will result in Saturday Schools assigned by an administrator.

Continued tardiness will result in a parent-teacher-administrator meeting and further discipline.

TRUANCY

A student absent without the consent of his/her parents or the permission of the school is truant. This is an unexcused absence. Excessive tardies and/or absences will be referred to law enforcement and/or truancy officer.

The following are examples of truancy:

1. Being absent from class without permission.
2. Leaving the school without signing out.
3. Leaving the school at lunch time.

4. Being absent from school without parents' permission.

Disciplinary Action:

A student absent from class, away from assigned areas, or that leaves campus without permission at any time during the school day will be assigned disciplinary action.

Family Truancy:

Excessive student absences will result in written or verbal communication from the FMS office to families to assist in improving student attendance. If attendance is not improved at that point, the school will request an in-person meeting with parents to develop a plan. This could include the involvement of the School Resource Officer.

BOOK BAGS

Book bags may be used to carry books to and from school. Book bags are not to be carried to or brought into classrooms. When arriving at school, the student should place books into the locker and then hang the book bag in the locker. Book bags are not to be left in the hallways unattended.

CLOSED CAMPUS

Fremont Middle School operates on a closed campus arrangement. Once a student arrives at school, he/she is not allowed to leave the immediate area of the school, unless he/she is properly signed out through the office. To leave the school during the day, the student must present a note from his/her parents or a valid appointment card and receive a pass to leave the building.

BEFORE AND AFTER SCHOOL

Students should not be on the Fremont School grounds before 7:20 a.m. The doors will not be unlocked until that time. Students need to be off all Fremont Public School grounds by 3:20 p.m. unless the student has a specific activity they are attending. No students should be in any FPS buildings on weekends unless they are there for a specific activity with adult supervision.

VISITORS

Visitors can, through no fault of his or her own, have a disrupting influence when in attendance. Therefore, it is the policy of Fremont Middle School not to accept visitors in our school. This rule is waived by the principal to allow a visit by a potential student or group of students.

Any visitor entering the building is required to report to the principal's office and arrangements may be made for him/her to meet a student in the office for a brief time. Visitors are required to wear an ID identifying their status as a visitor.

MEDICAL NEEDS

Please send updated information on any new or existing medical conditions (allergies, etc.) that your child may be experiencing. Health plans will be developed as necessary, and a doctor's note may be required. Information will be shared with appropriate personnel such as your child's classroom teacher(s), physical education teacher, office and playground aides, or bus driver. This information will help them work with your child to minimize unnecessary restrictions and possible absenteeism.

When to Keep Children Home:

State regulations indicate that superintendents, principals, the school nurse, and teachers shall exclude from school any child suspected of having a communicable disease.

Headaches, runny nose, difficulty breathing, sore throat, coughing, a rise in body temperature, vomiting, a skin eruption, or an unusual flush or paleness should lead you to suspect illness in your child. Your child needs to be kept home when ill to avoid the spread of illness. Check with your doctor for diagnosis, treatment, and the proper time for returning to school. Please send a note when your child returns explaining the reason for the absence.

Cooperate with your school and local health department. Prevent exposure that may occur in the school, on the bus, or on the school grounds by keeping your child at home if he/she shows signs of illness.

Allergy/Asthma Medication:

If your child needs to carry an inhaler/Epi-pen at school, the policy must be followed as the law dictates. There will be no exceptions. Students with an inhaler/Epi-pen who have not met the criteria will have their inhaler/Epi-pen confiscated and parents will be notified. Parents are encouraged to keep an extra inhaler/Epi-pen at school in the office or health room in case of an emergency. If you have any questions, please contact your building principal or the school nurse.

A student may possess and self-administer an inhaler/Epi-pen for the prevention and/or relief of asthma/allergy symptoms if the following conditions are met:

1. There is written approval from the student's physician or other health care provider and the student's parent/guardian to possess the inhaler/Epi-pen.

2. The building administration has received a copy of the written approvals from the physician and the guardian. The school district or a school district employee is not liable for damages if an employee prohibits the use of an inhaler/Epi-pen by a student if it is the employee's "reasonable belief" formed after a reasonable and ordinary inquiry that the above conditions have not been met.

Other Medications:

If possible, parents are advised to give medications at home and on a schedule rather than during school hours. If it is necessary that a medication be given during school hours, the following regulations must be followed. School policy states that any medication that needs to be taken at school must be brought to school by a parent/guardian, in its original container with the appropriate label intact and the parent's signature on a medication consent form. The physician must also sign the medication consent form if the medication requires a prescription. The school will not have Tylenol or aspirin to dispense for any reason. Medication permission slips are available in the office.

Immunizations:

According to state law, any student new to the school system, or upon entering the 7th grade, must show proof of immunizations and be current by today's standards to remain in school. Students must have an up-to-date immunization record, or a current immunization waiver form certified by the Local Health Department, on file in the school office to attend FMS. Records are reviewed on admission and parents are notified of updates needed. Any questions should be directed to the Newaygo County Health Department.

Head Lice:

Head lice infestation is a continuing problem among school age children in Michigan. Head lice do not carry disease nor does their presence mean your child is dirty. However, they are an annoyance and are spread easily. Please periodically check your child's head carefully and, if any head lice are found, treat your child and any other infested family members before your child returns to school. Remember too, that anything near the child's head (bedding, clothes, hair items, stuffed animals, furniture, etc.) must also be treated immediately. It is critical that you not only kill the lice with a lice-killing shampoo but also remove all the eggs (nits). Although treatment shampoos provide a nit comb, they are not always 100% effective. Nits are literally glued to the hair and can be difficult to remove.

If eggs remain in the hair, re-infestation may occur. Parents must accompany their child back to school after treatment. Please continue to check heads every day for 2-3 weeks to make sure the lice is gone. Regular checking is the best prevention. If you discover your child or a

family member has head lice, please notify us as soon as possible at 924-0230.

EMERGENCY INFORMATION

Please keep the school posted of all current phone numbers (home and work). If you do not have a phone, it is **very important** that you give us the phone number of someone who could reach you in case of an accident or if your child becomes ill at school. **Please provide more than one phone number. This is very important in case of an emergency.** If a telephone number is changed or disconnected, please update your information at school.

FEES AND MISSING ITEMS

Fees:

Some classes at FMS may require a small fee for student participation. The fee should be paid prior to participation in the designated activity.

Fines:

Students are required to maintain proper care of all materials issued by FMS. Fines for damage to materials will be imposed and payment will need to be paid at the end of the school year.

Loaning Money:

Students are advised not to loan money. If a student chooses to loan money, the collection of the repayment is solely the responsibility of the students involved. The school is not responsible for any money that is loaned and not paid back.

Lost and Found:

All found articles are to be turned into the main office. If you lose an article, be sure to check the lost and found department and report the missing article to one of the office personnel so a search may be instituted.

TECHNOLOGY & ELECTRONIC DEVICES

Electronic Devices:

Electronic Devices brought to school are at the risk of the student. FMS is not responsible for loss or theft. These items are not to be used between 8:00-3:00 unless permission has been granted by an administrator or teacher.

3rd Offense – Device confiscated, Parents notified to come pick up device

4th Offense – Device confiscated, Parents pick-up device and conference with administrator to develop a plan.

School Technology Use:

Use of technology at Fremont Public Schools is a privilege extended to students and staff in order to enhance learning and exchange information. With access, however, comes responsibility. FMS students will be given a “Technology Code of Ethics” which outlines the privileges, responsibilities, printer usage, acceptable internet use, and disciplinary action statements. Each student will need to sign the user’s responsibility form prior to accessing and using technology. Parents/Guardians will also be asked to sign the form. All students will be disciplined for violating the privileges outlined in the Code of Ethics.

Disciplinary action for computer offenses may include, but are not limited to, the following steps:

1st Offense – Loss of all computer privileges for two weeks.

Offense will be recorded in the student’s file. Technology Code of Ethics review with a staff member.

2nd Offense –Loss of all computer privileges for up to six weeks.

Offense will be recorded in the student’s file. A technology behavior plan will be created with the students for approval by his/her parents and a building administrator.

3rd Offense –Loss of computer privileges for the remainder of the school year. When privileges are reinstated, they will be so on a limited basis.

Any violation, which affects the integrity of the network, will result in permanent removal from the network for the remainder of the school year.

Unauthorized Videotaping:

Students are not to use any electronic devices to record the actions of any other student or a staff member without permission of a classroom teacher or the building principal. Legal action can be taken against any student who uses electronic devices to record the actions of other students or the staff at Fremont Middle School.

OTHER TRANSPORTATION

Bicycles may be ridden to school and must be placed in the bicycle racks provided. No motor driven vehicles (automobiles, motorbikes, or scooters) are to be used for transportation to and from school. Rollerblades and skateboards are also not allowed without permission from the building principal.

OFF CAMPUS EVENTS

While traveling or attending school sponsored activities, FMS students are expected to represent their school well. Student behavior should always reflect positively on the school and the community. While attending high school activities, students are subject to the authority of school district officials. Failure to obey rules and regulations and/or failure to obey the instructions or directives of school officials subjects the student to the school disciplinary code and loss of eligibility to attend school athletic functions.

Eligibility for Off Campus Events:

Eligibility for class trips/field trips/activities throughout the year are dependent on the student being a member “in good standing” of the class and the student body. “In good standing” will be determined by the Staff and Administration of FMS.

DRESS CODE

The style and way a student dresses while he/she attends school and school-related functions is largely the responsibility of the student and his/her parent. The School District, however, maintains the right to impose reasonable restrictions on dress, where the style of dress or grooming is reasonably considered disruptive or the style of dress or grooming is reasonably considered detrimental to the School District’s mission and/or the health, safety, or welfare of the student or other students with whom he/she attends school.

Students who violate the dress code will be given an opportunity to change/find other clothes to wear for the remainder of the day.

The following policy governs student dress for school:

1. School attire should be in good taste. Shorts need to have a minimum of a **4-inch inseam**. Pants must not have holes above the 4-inch inseam mark.
2. No underwear or skin showing between shirt and pants (shorts, skirt, etc.) when standing or sitting.
3. Hats or hoods of any kind cannot be worn in school, and should be taken off when entering the building and placed in lockers.
4. Other examples of inappropriate clothing or how a student looks in school include:
 - No excessive cleavage showing.
 - No clothing or hats which directly or indirectly promote or advertise tobacco, alcohol, or drugs.
 - No attire that is suggestive or symbolizes subject matter that is inappropriate for an educational setting.

- No clothing that may directly or indirectly be interpreted as gang affiliation.
- No using pens or markers inappropriately to mark the student's body.

The following picture illustrates the expectations for school dress.

LUNCH/REC TIME

The following governs lunch/rec time behavior:

1. If you need to be in a classroom or go to your locker, check with lunchroom supervisor.
2. Do not run, push, or shove in the hallways, but head quickly to your rec time location.
3. Those students choosing to be in the gym during rec. time are under the authority of the gym supervisors. "Roughhousing" or running in the gym (except when participating in a game) are not permitted.
4. Depending on the weather, students will have the rec. time option of going outside, to the gym, or to the Media Center when available.
5. No open food or drinks are permitted in the hallways or lockers. Students violating any of the above rules will receive disciplinary consequences.

STUDENT CLUBS

Student clubs or activities must have a current FMS staff member advisor. Requests for new clubs must be presented and approved by FMS administration prior to the beginning of each new school year.

ATHLETICS

The total development of the student is the focus of a responsible athletic program. Successful programs provide for physical, mental, social, and

emotional growth. Each student-athlete will receive a Fremont Middle School Athletic Code of Conduct and academic eligibility standards packet. This packet should be read by the student-athlete and the parent(s). The last page of the packet contains a contract that must be signed by the student-athlete and parent, and be on file in the office, in order for the prospective athlete to be eligible to participate on any FMS athletic team. All student-athletes must have a current athletic physical on file in the office prior to participating in athletics. The school-offered physicals are in May and will be valid for the following school year.

CODE OF STUDENT CONDUCT

Students of FMS are expected to always exhibit their best student behavior. FMS students are expected to be cooperative, considerate, and respectful of staff and school property. District rules apply en route to and from school, during school, and at all school related functions. Depending on the results of the investigation, the student may face long term suspension or expulsion from Fremont Public Schools.

The school principal and/or assistant principal have the authority to question misbehavior of any form within the building, on school grounds, at school sponsored or related activities, or when directed toward any staff member employed by the Fremont Public Schools.

Any behavior, which adversely affects the learning process or atmosphere of the school, as interpreted by the administration, will result in disciplinary action. Examples of unacceptable behavior and resulting consequences follow. The disciplinary actions taken vary depending on the circumstance. Included with the notice shall be a) a statement of the date, time, and place for a hearing before the Board of Education and b) a copy of this regulation.  4. The student and his/her parents or guardian may be represented by counsel, but they bear all costs of such representation.
 5. The student shall be given the opportunity to contest the facts which may lead to the imposition of discipline or to contest the appropriateness of the sanction being recommended. The student shall be given an opportunity to testify himself/herself and allowed to offer the testimony of other witnesses and present other evidence. The student also has the right to refrain from testifying.

 9. The findings and decision of the Board of Education shall be reduced to writing and sent to the student and his/her parents or guardian. If applicable, the decision shall inform the student and his/her parents or guardian when the student will be eligible for re

admission. The decision shall also inform the student and his/her parents or guardian of the right to judicial review of the Board of Education's decision.

10. A student and his/her parents or guardian may waive the right to a hearing. If it is waived, the Board of Education will, nevertheless, take formal action to accept or reject the recommendation for expulsion, unless the student has voluntarily withdrawn from school by his/her parents or guardian. In that case, no action by the Board of Education shall be necessary.
11. School officials will undertake all reasonable efforts to arrange an alternative educational process for any suspension in excess of five (5) school days or for an expulsion.

A student shall also not be in possession of lighters or matches while at school or school-sponsored activities. Violation may result in a possible police referral.

Alcohol Disciplinary Action:

2. Recommendation for expulsion.

SEARCH, SEIZURE, AND INTERROGATIONS:

Search and Seizure:

To maintain order and discipline in the schools, and to protect the safety and welfare of students and school personnel, school authorities may search students, student lockers, backpacks, and desks, under the circumstances outlined below an may seize any illegal, unauthorized, or contraband materials discovered in the search.

Student lockers and desks are school property and remain at all times under the control of the school district; however, students are expected to assume full responsibility for the security of their lockers and desks. Students should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials. Periodic general inspections of lockers and desks may be conducted by school authorities for any reason, at any time, without notice, without student consent, and without a search warrant.

Hall lockers operate on a master control key arrangement and the school, pursuant to state law, retains the authority to perform locker checks and to search individual lockers at the district's discretion. In addition, periodic locker clean-ups will be scheduled to help maintain good housekeeping habits. In School Board policy section 2006, it states that the student's privacy rights shall be respected "regarding any items that are not illegal or against school policy".

Interrogation:

The administration will make every reasonable attempt to notify the parents or legal guardian prior to permitting the interrogation or detainment of a student by law enforcement authorities or other persons who are not the parents or legal guardian of the student. If the parents or legal guardian cannot be reached, the principal or his designee will be present during the interrogation.

FERPA

The Family Educational Rights and Privacy Act of 1974 require that school districts inform parents whenever information on a student is being released by the school district unless the information being released can be defined as "directory" information. Directory - information may be published by the school district in school yearbooks, school information sheets, school newspapers, school bulletins, school athletic programs or other materials released to public sourced. Fremont Public Schools has identified the following as directory information:

1. Student's Name/Address

2. Student's Grade Level
